Osaka Umeda Iseikai Dialysis Clinic

DIALYSIS CLINIC IN OSAKA

Located at downtown in Osaka
The best area for any transportation

AUSTRALIAN COUNCIL ON HEALTHCARE STANDARDS INTERNATIONAL ACHSI

Our purpose of opening the clinic is to provide patients a comfortable life and supportive social comeback. Our staff strives to support our clients with every day specialized care.

What makes us special?

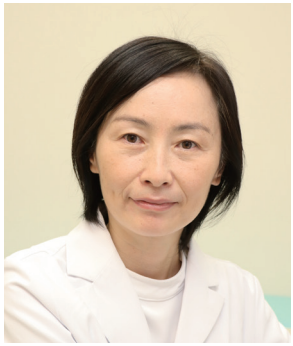
We provide entrusted dialysis services.
The clinic implements treatments and services through cooperation with other clinics and hospitals in our group.
We can provide you immediate transfer to the hospital when a shunt trouble occurs.

Inside the Clinic

Dialysis area There are two choices: bed and chair. Our clinic provides 3 private rooms available.

Locker room We provide our clients access to a locker. Before you leave, please confirm that your locker is fully closed.

Message from the Director



Director
Seika Tominaga

Welcome to Osaka Umeda Iseikai Dialysis Clinic

We provide temporary hemodialysis therapy for the foreign patients who need hemodialysis therapy during travel in Japan. Our clinic is located in the center of Osaka, which is very convenient for both business and sightseeing travel.
We are a team of specialized physicians and healthcare experts. We will continue to make every effort to provide the best medical care, and we look forward to serving you.
